OBJECTIVE

Undergraduate CSE student at Banasthali Vidyapith with a strong foundation in Data Structures & Algorithms. Skilled in MERN Stack and JavaScript, with experience building full-stack web applications and REST APIs. Implemented features like JWT authentication, role-based access control, and interactive user interfaces. Seeking a Software Engineering Internship to apply problem-solving and development skills in real-world projects.

EDUCATION

Bachelor in Technology - Computer Science Engineering

Banasthali Vidyapith | Jaipur, Rajasthan | 2023-present

Senior Secondary (12th)

RLPKD school | Mathura, UP

TECHNICAL SKILLS

Programming Languages:

- C, C++, Python (Basic), Java (Basic)

Web Development:

- HTML, CSS, JavaScript - Frontend Development

Concepts:

- Object-Oriented Programming (OOPs), Data Structures & Algorithms, REST API Design

Tools & Technologies:

- Visual Studio Code, GitHub, Postman, AI Tools (ChatGPT)

Backend:

- Node.js, Express.js, REST APIs, MongoDB (Basic)

PROJECTS

Smart Attendance System | Node.js, Express.js, MongoDB.

(<https://smart-attendance-system-frontend.onrender.com/index.html>)

- Built a QR-based attendance system for 50+ students, reducing manual tracking time by 50%.
- Implemented JWT authentication and role-based access control (RBAC) for secure teacher/student access.
- Developed REST APIs for real-time attendance tracking, alerts, and profile management.
- Deployed the application on Render supporting concurrent multi-session usage.

Graph Algorithm Visualizer | HTML5 Canvas, JavaScript

(<https://dishagarg3310-bot.github.io/graph-visualizer/>)

- Developed an interactive visualizer for BFS, DFS, and Dijkstra algorithms with step-by-step execution.
- Implemented animated traversal with pseudocode highlighting for better algorithm understanding.
- Added draggable nodes, weighted graph support, and manual step controls.
- Used by 20+ students for DSA learning and revision.

SOFT SKILLS

Time Management | Adaptability | Team Collaboration | Attention to Detail | Quick Learner

LANGUAGES

Hindi (Native) | English (Proficient)
